WHO WE ARE!

At Safeline Trading LLC, we specialize in the trading of a wide range of electrical products and components, catering to diverse industrial and commercial sectors. As authorized distributors of leading brands like **ABB, ELMEX, ELIXAR** and lot more. we uphold stringent quality standards to ensure reliability and efficiency in every product we offer. Our expertise lies in providing tailored solutions that meet the specific needs of our clients. From electrical distribution equipment to innovative technology solutions, we prioritize customer satisfaction through exceptional service and technical support. Trust us for your electrical product needs, where quality and performance meet unparalleled service excellence.

OUR PARTNERS

FEW OF THE BRANDS WE PROVIDE

Categories

LOW VOLTAGE COMPONENTS

ENCLOSURES & SWITCHBOARD SYSTEMS

RELAYS, TIMERS AND POWER SUPPLIES

ISOLATORS, SWITCHING & PROTECTION DEVICES

TEST & MEASUREMENT DEVICES

ELECTRICAL WIRING DEVICES AND ACCESSORIES

LOW VOLTAGE POWER & COMMUNICATION CABLES

EARTHING & LIGHTNING PROTECTION

CABLE MANAGEMENT SYSTEMS

BUSBARS

HAND AND POWER TOOLS

LV ACCESSORIES

AUTHORIZED DISTRIBUTOR OF

Accelerating the energy transition.

ABB is a pioneering technology leader in electrification products, robotics and motion, and industrial automation, serving customers in utilities, industry, transport and infrastructure globally.

Continuing a history of innovation spanning more than 130 years, ABB today is writing the future of industrial digitalization with two clear value propositions: bringing electricity from any power plant to any plug and automating industries from natural resources to finished products.

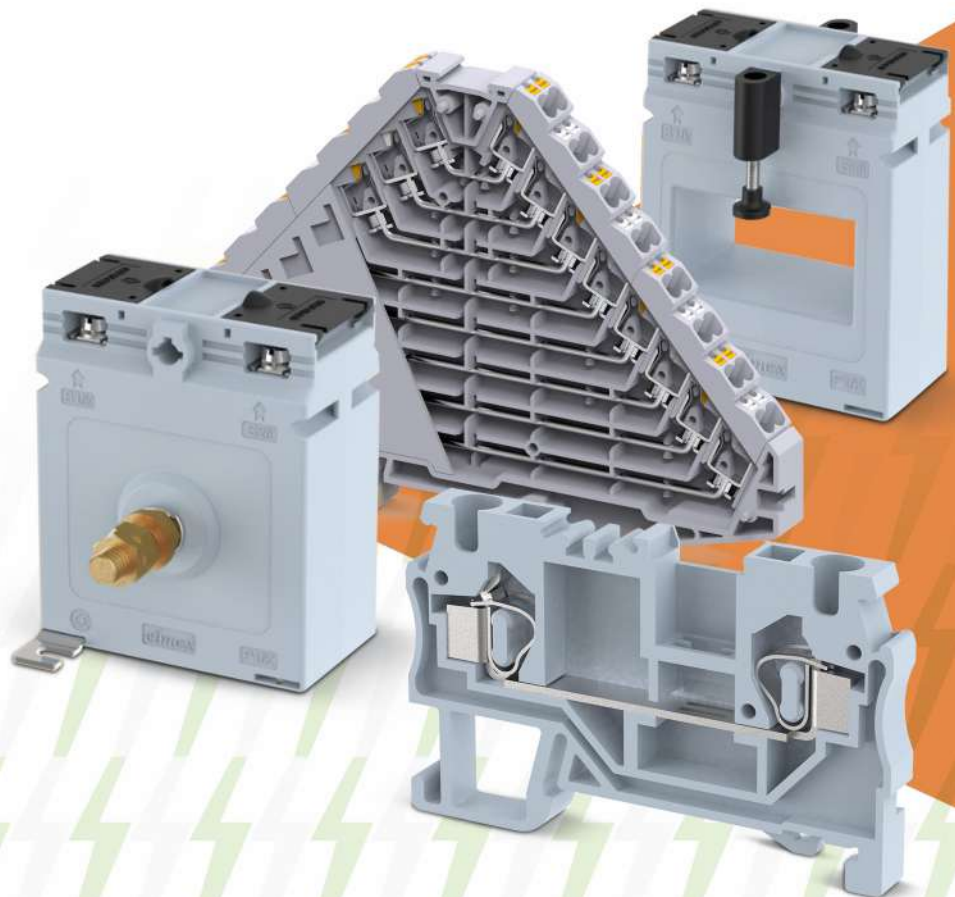

ABB | SAFELINE

AUTHORIZED DISTRIBUTOR OF

Rooted in Excellence Since 1963.

Elmex is a pioneer in the field of electrical wire termination technology in India. Its journey began in 1963 as a manufacturer of Terminal Blocks (Din Rail Mounted Connectors) for the switchgear industry. Steered by the vision of our founder-chairman Mr. J. D. Ray, it is today regarded as one of India's leading manufacturers of terminal blocks.

ELMEX | SAFELINE

AUTHORIZED DISTRIBUTOR OF

ElixarTM

Your **Vision,** Our Expertise.

Elixar a leading provider of high-quality electrical accessories designed to meet the diverse needs of modern businesses. Committed to delivering durable, reliable, and energy-efficient products that ensure safety and efficiency in every application. With a focus on innovation and customer satisfaction. Elixar is your trusted partner for all your electrical needs.

ELIXAR | SAFELINE

Low Voltage Components

Our top-notch, time-tested electrical components include switchboards, enclosures, meters, circuit breakers, and switches. Every product and service is made to help people and organizations use energy as efficiently as possible at a reasonable cost. Safeline places a high premium on environmental preservation, health and safety, and providing exceptional services.

- > Circuit Breakers
- > Manual Motor Starters
- > Contactor & Overload Relays
- > ATS
- > Fuse & Fuse Bases
- > Signalling Devices
- > Soft Starters
- > VFDs
- > Manual Changeover Switches
- > Safety Switches
- > Weatherproof Isolators

Enclosures & Switchboard Systems

Serving as a distributor for well-known enclosure brands that are made to fit different kinds of control and switchgear. We offer a full range of modular enclosures in sheet steel, stainless steel, aluminum, GRP, wall mounting, floor standing, and many more materials, all of which meet international standards.

- > Sheet Steel
- > Stainless Steel Enclosures
- > Floor Standing Enclosures
- > Switchboard Systems
- > Enclosures
- > GRP Enclosures
- > Modular Enclosures

Relays, Timers and Power Supplies

Safeline provides High Quality Electrical Measurement, Electrical Protection, Time Relays, Process Control and Automation Components.

- > Analogue Time Switches
- > Astronomical Time Switches
- > Industrial Time Relays
- > APFC Controllers
- > Over Current & Earth fault Protection Relays
- > CYCLIC Timers
- > Water Level Controllers
- > Control Transformers
- > Digital Time Switches
- > Earth Leakage Relays with CBCT
- > Staircase Timers
- > ON-OFF-STARDELTA
- > Voltage & Current Monitoring Relays
- > HMI/PLC
- > Power Supplies
- > UPS

Isolators, Switching & Protection Devices

Safeline provides World-recognized agency Certified isolation, onload breaking, manual or automatic changeover switching systems for managed power and secured facilities.

- > Weatherproof Isolators
- > Photovoltaic Isolators
- > Door Mounting Loadbreak Switches
- > Panel Mounting Loadbreak Switches
- > Manual Changeover Switches
- > Bypass Switches
- > Surge Protection Devices

Test & Measurement Devices

Safeline provides Devices for Metering & Protection application, measurement and analysis of wide range of electrical parameters. Implementation of test and measurement devices improves the site's power quality, monitors energy consumption and alerts occupants about excess power consumption.

- > Analog Panel Meters
- > Digital KWH Meters
- > Diris Digiwire Metering
- > Digital Panel Meters
- > Digital Multifunction Meters
- > Current Transformers

Electrical Wiring Devices And Accessories

From trendy switches and sockets to unmissable accessories for electricians, we offer the best in class quality and exceptional design. Finishes available for wiring devices are white molded and various decorative finishes like flat plate, brushed metal, screwless and Georgian brass.

- > Plugs & power outlets
- > Switches and dimmers
- > Extensions and cord reels
- > Switch outlets
- > Lamp holders and ceiling accessories
- > Boxes and covers
- > Industrial plugs
- > PVC strip connectors & Terminal blocks
- > Sensors

Low Voltage Power & Communication Cables

Electrical cable and wires are considered as a same thing. In fact, they are quite different. A wire is made of a single electrical conductor while a cable is a group or bundle of multiple wires inside a common sheathing. Both of them are used for carrying electrical current.

- > Multicore Industrial Cables
- > XLPE insulated Cables
- > Single Core Wires
- > Switchboard and Battery Cables
- > Rubber Cables

Earthing & Lightning Protection

The earthing and lightning protection product range we carry complies with the requirements of relevant British and World standards. Design and manufacturing quality control systems are independently assessed and approved to ISO 9001. The approach to lightning protection is fully endorsed by the IEC/BS EN 62305, as well as NFPA 780 standard. We can offer a level of competitiveness, service and technical support.

- > Earthing System
- > Lightning Protection

Cable Management Systems

Cable management is an essential part of the daily work of an electrician or panel builder. With efficient cable management products you can make cables "invisible", reduce risk of injury and save space at the same time.

- > Steel Conduit System
- > Cable Glands
- > Cable Joining System
- > Cable Ties & Pulling System
- > Cable Lugs
- > Cable Connectors
- > Ladders
- > Cable Connectors
- > Steel Support
- > Cable Trays
- > Cable Terminations
- > Steel Wiring Boxes
- > Floor Distribution System
- > Cable Joining System

Busbars

Copper busbar in electrical applications requires several key electrical and mechanical properties which include high electrical conductivity, good strength, good formability and surface flatness. Safeline will continue to play a major role in supplying superior quality of products to the industry.

- > Tinned Copper Busbars
- > Copper Tapes
- > Comb Busbars
- > Distribution Blocks

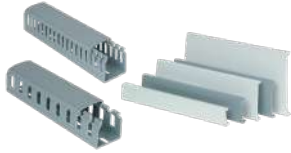

Hand & Power Tools

Tools play a significant role in the progress of mankind. Since ancient times, tools have been used to perform a variety of tasks, and early humans have used a variety of tools to create physical objects. With the passage of time, significant progress has been made as far as the quality of tools is concerned. In modern times, there are many advanced tools available for professional and home use.

- > Mechanical Crimping & Cutting Tools
- > Hand-operated Hydraulic Crimping & Cutting Tools
- > Foot-operated Hydraulic Crimping & Cutting Tools
- > Battery powered Crimping & Cutting Tools

LV Accessories

PVC Cable Duct (Panel)

Selector Switch

Busbar Support

C Handle

Cable Gland

Cable Tie & Base

Comb, Busbar

Copper Bush

Copper Lugs

Coupler

Current Transformer

DIN Rail

Drawing Pocket

Earth Bar

Earth Components

Enclosure Lock

End Cap

Engraving Sheet

Filter

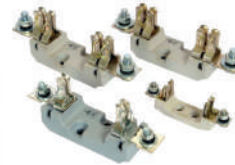

Fuse Carrier Box

Fuse

Heat Shrink Sleeve

HRC Fuse and Link

Indicating Lamp

Insulator

KWH Meter

Metal Louve

Meter Glass

Meters

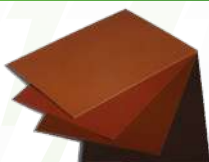

Neutral Link

Pillar / Stud Bolts

PVC Sheets

Bakelite/PVC Sheets

Timer

Ventilation Fan

Wire End Sleeve
